

CoSEA Annual Events

The Colorado Society of Enrolled Agents conducts relevant reasonably priced educational seminars on a regular basis. The ever popular "No Frills" Seminar occurs every year in January, while the "Fall Seminar" is held each November.

The January No-Frills Seminar is a timely one day event presented in both Colorado Springs and in the Denver area. This is an opportunity to get a jump on the CPE requirement for the year, get your ethics obligation out of the way and, as you move into tax season, get updates at both the federal and state level relevant to your practice.

Here's the program from the most recent No-Frills:

- Federal Tax Update
- Ethics
- Colorado Tax Update
- E-File & IRS E-Services
- Bank Secrecy Act
- Financial Crimes Enforcement
- Foreign Bank & Account Reporting

The Fall Seminar is an excellent opportunity to catch up on those needed CPE during a more relaxed time of the year.

Both the No-Frills and Fall Seminar are an efficient ways for you to pick up 8 hours of CPE as well as a chance to get together with other Colorado tax professionals. Plan on attending both programs and have half the year's CPE requirement covered in one easy decision.
